**How is the title recognized?** For the first title that a dog earns, WESSA awards a plaque engraved with the dog's name that holds an 8 x 10 picture of the dog and gives an engraved plate with the title(s) earned to be attached to the plaque. For subsequent titles earned by the same dog, WESSA gives the engraved plate. There is also a full color awards booklet that includes a picture of the dog and a paragraph or two written by the owner about the dog and the title(s) earned. Humorous stories are appreciated.

**What if I cannot come to the Awards Banquet?** WESSA will mail the plaque and/or title plate to you along with a copy of the awards booklet. If you are coming to the banquet feel free to bring your plaque along for display and the new plate will be attached at the banquet.

**Where is the application sent?** Send this application, with an 8 x 10 picture of your dog, **a print as WESSA will not print out the photo for you**, if this is the first award (indicate if this is the same picture you want used for the awards booklet), a copy of the title(s) earned and a paragraph about the dog for the awards booklet to:
